T1 CUSTOM CYCLING COLLECTION

IMPSPORT.COM

WELCOME TO IMPSPORT

Impsport have provided custom cycling kit to the world's elite riders since the late 1970s, including Tour de France champions, national squads and professional teams. This experience is harnessed in the latest Impsport collections.

Our team of artists, printers and fabric technicians are all based at our Lincoln HQ, offering us a unique base of expertise and experience.

SPORTIVE RANGE

Offering high quality, entry level garments at competitive prices - ideal for charity rides, cycling festivals and corporate events.

T2 RANGE

Technical fit garments utilising specialist fabrics in key areas for maximum aerodynamic and speed gain.

T3 RANGE

State-of-the-art technology and wind tunnel tested fabrics create the fastest garments available to the UK custom market.

IMPSPORT T1 CUSTOM RANGE

The T1 range of garments all have a fully customisable design application and a full size range, including gender specific fits and children's sizes, to suit any age or rider ability.

- T1 ROAD JERSEY - SHORT OR LONG SLEEVED
- T1 BIBSHORTS
- T1 SKINSUIT - SHORT OR LONG SLEEVED
- T1 RAIN GILET
- T1 LIGHTWEIGHT JACKET
- T1 RAIN JACKET
- T1 WINTER JACKET

SHORT SLEEVED T1 ROAD JERSEY

CUSTOM

Fully customisable jersey with full length, locking zip. Three rear elasticated pocket compartments for safe storage.

BREATHABLE

Manufactured using ClimaCore 140g technical performance polyester fabric, designed to wick moisture away from the body quickly, keeping you cool and dry.

FIT

The T1 Road Jersey has an improved fit across the whole size range and is easy to wear making it our most popular club kit jersey choice.

COMFORT

Mesh side panels increase comfort and breathability and offer a further branding / logo position option.

LONG SLEEVED T1 ROAD JERSEY

CUSTOM

Fully customisable jersey with long sleeves. Ideal for layering under a jacket or gilet for colder rides.

FIT

Elasticated silicone gripper, positioned internally at the hem to the side and rear panels, keeps the jersey in position when riding.

REFLECT

T1 Jerseys feature reflective detailing to the rear pocket for additional visibility in low light and bad weather.

COMFORT

No irritation, non-elasticated sleeve cuff for improved comfort. The great fit of the T1 Jersey helps keep sleeves in position.

SHORT SLEEVED T1 SKINSUIT

STREAMLINE

Aerodynamic construction with a close fit to enhance the riders streamline profile, reducing drag and optimising performance.

CUSTOM

The T1 Skinsuit is fully customisable. The wrap around leg sections curve into a printable rear panel offering more design application options.

FIT

Finished with a locking stretch zip. The zip flexes with the garment holding it closer to the body for improved fit, added comfort and a secure hold.

COMFORT

Impsport only use the best seat pads supplied by industry leading Dolomiti (Italy). There are 3 options all of which are highly breathable and fully antibacterial.

LONG SLEEVED T1 SKINSUIT

STREAMLINE

Aerodynamic construction with full length sleeves to optimise the streamline profile and aid resistance to wind chill during cooler races.

CUSTOM

The T1 Skinsuit is fully customisable. The wrap around leg sections curve into a printable rear panel offering more design application options.

FABRIC

ClimaCore & ClimaTec fabrics wick moisture away quickly, keeping you cool and dry. Hard-wearing black Lycra middles provide a long garment life.

COMFORT

Traditional elasticated silicone gripper positioned internally at the leg hem to eliminate unwanted movement.

T1 RAIN GILET

PROTECT

The T1 Rain Gilet is designed specifically for changeable and wet weather and is light enough it can be scrunched to fit into a jersey pocket.

REFLECT

The highly durable and breathable waterproof fabric is finished with reflective piping in key areas for additional visibility in low light and bad weather.

CUSTOM

The design application is fully customisable for great looking club or team colours.

FIT

Slim, athletic cut with side panel patterning for increased comfort, fit and logo/design application.

T1 LIGHTWEIGHT JACKET

CUSTOM

Fully customisable intermediate jacket suitable for cooler early morning rides or a chilly evening.

COMFORT

Manufactured using heavy-weight technical ClimaCore fabric designed to wick moisture away from the body whilst keeping you warm and protected from wind chill.

WARMTH

Highly versatile and super comfortable to wear, the T1 Lightweight Jacket can be worn in all but the coldest conditions.

STORAGE

Three rear elasticated pockets on the lower back help improve fit of the garment and keep belongings secure.

T1 RAIN JACKET

PROTECT

Purpose-built to keep the rider dry in wet conditions whilst maintain a low weight and streamlined form.

CUSTOM

The design application is fully customisable for great looking club or team colours. Featuring side panel patterning for increased comfort, fit and logo/design application.

REFLECT

Highly durable and breathable waterproof WindTex fabric finished with reflective piping in key areas for additional visibility in low light.

FIT

The tailored fit is similar to a jersey making it comfortable whilst maintaining flexibility in the upper body for all riding styles.

T1 WINTERJACKET

COLD

The ultimate extreme cold weather protection – nailing all the features you’ll need to keep going ‘in the drops’.

PROTECT

Highly breathable fabric, two-piece high collar and YKK water/wind resistant zipper keep the cold and wet elements at bay whilst aiding heat retention.

STORAGE

Three rear pockets on the lower back help improve fit of the garment and keep belongings secure. An additional zipped valuables pocket is also featured.

FIT

Featuring a slim and athletic cut with side panel patterning for increased comfort, improved fit and fully customisable design application.

T1 BIBSHORTS

CUSTOM

A perfect combination of customisable panels and hard-wearing black Lycra middles provide a long garment life whilst looking superb.

BREATHABLE

Ultra light-weight, high wicking mesh bib for optimal breathability. Tight, professional fit, helps keep muscles warm and optimise performance.

FIT

Anatomic multi panel construction provides an aerodynamic fit and is ideal for club and sponsor logo application.

COMFORT

Imports only use the best seat pads supplied by industry leading Dolomiti (Italy). There are 3 options all of which are highly breathable and fully antibacterial.

SIZE GUIDES & FIT

Impsport size charts are of body measurements only, not garment measurements. We do the work in our patterning to ensure that Impsport clothing is cut with the right amount of room to fit the measurements stated on the guide. We encourage you to measure yourself before choosing what size to order.
