# T3 ROAD JERSEY

## CUSTOM

Fully customisable jersey with full length, locking zip. The zip flexes with the garment holding it closer to the body for an improved fit.

## BREATHABLE

Manufactured using highly breathable ClimaCore Stretch-Flow super smooth fabric, used to aid aerodynamic shaping.

## WEIGHT

Unique streamline and lightweight fabrics have enabled us to create the lightest road jersey available to the UK custom market - weighing in at just under 90g.

## TECH

Unique raw edge aero pockets hold closer to the body for optimum aerodynamic performance. Minimal, strategically placed seams optimise drag reduction.

# BLACK T3 BIBSHORTS

## CLASSIC

Specialist black ClimaTec Stretch-Pro fabric offers supreme comfort, durability and a reduction in drag by deflecting air more efficiently.

## FIT

Constructed from a single aerodynamically enhanced panel, with minimal seams for a more comfortable ride and increased aerodynamic performance.

## BREATHABLE

Moisture is actively wicked away from the body quickly to keep you cool and dry. The lightweight comfort brace system holds perfectly with near invisible straps.

## COMFORT

The Gel-Contour seat pad offers maximum comfort at all distances. Featuring multi-layered, antibacterial foams combined with a gel pad for shock absorption.

# CUSTOM T3 BIBSHORTS

## CUSTOM

The single aerodynamically enhanced panel offers a huge range of customisation options for great looking club or team colours.

## TECH

Raw edge leg hem with super fine internal silicone gripper holds the short in position without adding additional bulk.

## FABRIC

The ClimaCore fabrics utilised in this garment have been especially selected for their unique streamline properties and benefit from air flow analytics during the garment pattern production.

## COMFORT

The tight, professional fit, offers superior compression to help keep muscles warm and optimise performance.

You've probably seen Impsport kit in lots of (dis)guises!

A photograph of two cyclists in a race, wearing black and pink jerseys, riding on a paved road at sunset. The sun is low in the sky, creating a warm, golden glow and long shadows. A chain-link fence and trees are visible in the background. The word "IMPSPORT" is overlaid in large white letters, with a stylized owl logo replacing the letter 'O'.
